

COCKTAIL MASTERCLASS AT NORDIC BAR

The perfect event for a stag or hen, birthday or leaving do, or just something a bit different! Learn to drink in style with The Nordic Bar Cocktail Masterclass.

Give someone a cocktail and they'll have a great half an hour - teach them how to make and shake and they're set for life! We are ready to give you an exclusive insight into the finer ways of drinking, with a full lesson in the history, preparation and presentation of cocktails.

You will get to try your hand at making, shaking, muddling and stirring - and even a bit of flair! With prizes for performance as well as panache.

Full package includes: instruction, demonstration, practice, tricks and skills, and you get to slurp three delicious cocktails and shots as well!

All for just £25.00 per person.

An extended premium version of the class is also available for £45.00 per person; this includes a selection of canapés throughout, and a more in depth explanation of spirits and mixology - and, of course, a total of four delicious cocktails to boot! One of which can be your very own creation from our selection of spirits, liqueurs, fruits and juices ... the possibilities are endless!
